

Shangyu beier electronic co., ltd was established in 1992 in china. We are one of the leading manufacturers specialized in **dc compressor refrigerators and freezers** popular used on cars, trucks, boats, ships and all other dc power source. Our sales office LENJOO is located in Jinshan District, Shanghai City, China. Our factory is located in Shangyu City, Zhejiang Province, China.

Our plastic parts and metal parts with top quality and competitive prices are appreciated by our clients. Our motto is "Quality comes first, Customers oriented". As a result, we have developed step by step, and now we are serving clients from more than sixty countries and regions. With favorable business policy, diligent and experienced staff, excellent provision chain and convenient transportation network, our factory owns great advantages of manufacturing capacity and development opportunity.

Our products obtain CE, E-Mark, RoHS, GS, SAA co-operation and product development. We sincerely hope we may support each other and create wide market approval.

Type Solar Freezer
Use Home
Feature Compressor
Power Source Solar
Certification CE
Place of Origin China>>Zhejiang
Brand Name BEIER /LENJOO
Model Number BR118C4

Fully hermetic domus compressor with integrated control electronics
Cooling performance: -18 °C at 30 °C ambient temperature
Total freezer with drawers
Automatically turn off when low input voltage to protect product
With single top door and door lock
Environment-friendly refrigerant R134a
Connect with DC power source directly e.g solar power source
Connect with AC power source through an AC/DC adaptor
High temperature resistance design and energy saving design
